

# 2021 Took Treehouse to All Kinds of New Places!

Treehouse Children's Museum created new online activities, contests, and interviews with children's book authors and illustrators, all available on our website. Treehouse launched a YouTube channel with videos created by our talented Treehouse staff. Thanks to an anonymous donor, Treehouse distributed more than 2,000 donated children's books to our partner Head Start programs, Title 1 Kindergarten children, and member families. We even went on the road to a new theater, art, and music outreach program.

## Treehouse Outreach is Ready to Roll!

Thanks to our friends at Young Subaru and the Stewart Education Foundation, Treehouse has wheels. This summer and fall we are preparing to help children Step into a Story® through stories, plays, art projects, and music.

Thanks to our friends and supporters who helped us raise more than \$600,000 last year in grants and donations to offset our total loss of earned income, which was 63% of our budget.
