TREEHOUSE TALES Tours for Elementary Schools

Bring your students and “Step into a Story”® at Treehouse Children’s Museum. Field trips at Treehouse are educational, engaging, and playful. Eight different tours are offered for Kindergarten through 5th grade.

Every Treehouse tour includes:

- 1 EXHIBIT TALES:** Students experience an award-winning Treehouse exhibit up close through interactive storytelling and discussion.
- 2 THEATER TALES:** We’ll bring the tour theme to life through an interactive ParticiPlay® in the Simmons Family Storybook Theater.
- 3 ART TALES:** Students create their own story through a themed visual art project in the Treehouse Art Garden.

Schedule these popular Treehouse Tours from September through May:
