

# School Tours at Treehouse

2024-2025

Bring your students and Step into a Story® at Treehouse Children's Museum! Our tours are designed with learning in mind and offer unique literature, art, and theater activities – centered around the Museum's award-winning exhibits. On your tour, students will share an interactive storytelling, star in a ParticiPlay® in our Simmons Storybook Theater, do a themed visual art project in our Art Garden, and spend time exploring our exhibits while supervised by their adult chaperones.

Treehouse can accommodate school groups of 15 to 110 students. Groups larger than 40 students may be divided among up to three tour guides.

School groups are asked to bring 1 adult for every 5 students as a chaperone who actively supervises children throughout the visit. Because Treehouse is open to the public during tour times, groups who do not provide an enough chaperones to adequately supervise their students will not be able to have free exploration time and their tour will be shorter.

Cost for schools with a reservation is \$6 per student and teachers and chaperones are free. Please note that Treehouse Membership Cards are NOT valid on School Tours since payment is in bulk and discounted.

School tours can be scheduled Tuesdays through Fridays. The morning tour time is 9:30 a.m. 11:30 a.m. and afternoon time is 12 to 2 p.m.

To request a Treehouse Tour for your students, please go online to [www.treehousemuseum.org](http://www.treehousemuseum.org) and click on "Bring Your Class". When you submit your request, Treehouse staff will be in touch to confirm the details. You can also call us at 801-394-9663 x 103.

**Everything was magical. The stories are incredibly engaging and your staff is amazing. Treehouse is, by far, the most fun and educational field trip.**
